Set of 3 Algae Cream Baths massage and bath THALADO

This is our historical product: in the tradition of Roscoff's thalassotherapy treatments, this product has historically been used as a massage cream. At the time, it was mainly used on pain areas.

Today, its use is primarily for bathing. A complement or approach to thalassotherapy treatments, this treatment provides you with relaxation and an unparalleled mineral refill.

Like all our marine cosmetics, this paraben-free product is made in Brittany, Finistère.

Ingredients : AQUA (WATER), LAMINARIA DIGITATA POWDER, ASCOPHYLLUM NODOSUM POWDER, CITRIC ACID, EUXYL Pe 90/100, XANTHAN GUM, SODIUM METABISULFITE, COPPER OXYCHLORIDE, BULGARIAN LAVENDER EXTRACT

Net volume: 1000 ml
