Bezhin "Iron and Vitamins C" - 100 capsules

Mineral Balance

Pill box of 100 capsules - Ref: CABZ

A balanced combination of three algae species, Bezhin provides the body with a balanced supply of minerals and vitamins.

Spirulina is present for its protein content, interesting in case of fatigue or a diet low in animal protein.

Lithothamnium is added for its Calcium content, an essential element for bone capital, as well as for magnesium (its deficiency causes sleep problems, anxiety, cramps...)

Ulve is known for its iron content, the assimilation of which will be enhanced by taking Bezhin with a glass of orange or lemon juice. Ideal in between seasons (autumn or spring)

Ingredients

Contents: Lithothamnium calcareum powder (163.5 mg), Spirulina platensis powder (163.5 mg), Ulve powder (33 mg)

Dosage contained per capsule: 360 mg
