Herbal Tea Drainage Licorice, Lemon & Seaweed

The combination of plants and seaweed with draining properties **stimulates the body and eliminates toxins.**

For a **slim and harmonious figure**, use this product as part of a varied and balanced diet where the total intake of calories is controlled.

Tips for use : Use one sachet per cup, pour simmering water and let infuse 3 to 4 minutes.

For effective and long-lasting results: Drink at least 1.5 liters of water per day (2 or 3 Drainage infusions provide 0.4 to 0.6 liter of water).

Practice a regular physical activity and massage the areas to be drained from the bottom to the top.
