Light Legs Gel with Seaweed - 150 ml

This Light Legs Gel is an exclusive formula, a synergy of marine and plant actives. The carrageenans and polysaccharides contained in the red algae form a real **moisturising** link for supple and smooth skin. The **sensation of freshness and lightness** is immediate. Enjoy a moment of well-being and comfort throughout the day.

Directions for use : Apply the gel with small massages from ankles to thighs. Repeat this movement upwards until it is completely absorbed.

Do not expose to the sun after application. Not suitable for children under 3 years of age and pregnant or breastfeeding women. Avoid contact with eyes and mucous membranes.
