Lithothamnium Scrubbing Soap

Lithothamnion, with its **nourishing and purifying properties**, is often used to **revitalize** dry or damaged skin. Accompanied by glycerin, this soap exfoliates and **nourishes the skin durably**. Tips for use : Emulsify the soap and rub it on the body in light circular movements, insisting on rough areas (elbows, knees, feet). Rinse and dry. For more hydration, apply afterwards the Moisturizing Body Milk or the Gentle Oil. Do not use on the face.
