Highly moisturizing marine cream

Marine Moisturizing and Nourishing Cream Dry and very dry skin

Tube 50ml Order No. TD222

Rich and creamy, this cream nourishes and protects dry and very dry skin. Chondrus and Laminar algae regulate hydration* and energize the epidermis. Shea butter strengthens the hydrolipidic film to limit dehydration and provide the skin with all the essential nutrients. The skin regains comfort and suppleness for a long time.

*of the upper layers of the epidermis.

ACTIVE INGREDIENTS:

Rice bran oil, shea butter, Vitamins E and B5, Seaweed extract, Laminaria seaweed extract, Chondrus.

INSTRUCTIONS FOR USE:

Apply morning and/or evening to a perfectly cleansed face and neck.

:
