Organic Moisturizing Body Milk

Delicately scented, the Organic Moisturizing Body Milk with Laminaria Seaweed awakens the senses for a gentle break. It **moisturises** the upper layers of the epidermis and **keeps the skin soft**.

A natural break for a moment of relaxation that protects your skin while softening it.

Tips for use : apply the milk every day after bathing or showering, massaging gently.

98.99% of the total ingredients are of natural origin.
