ALGA MARIS® - Kids Organic Sunscreen Cream SPF50 - 50 ml

Excessive unprotected exposure during childhood greatly increases the risk of developing serious skin alterations in adulthood. This is why it is imperative **to preserve a child's sun capital**. For that, the sun cream baby & children SPF50+ ensures an **optimal cellular protection!** On the one hand against UVA/UVB thanks to high tolerance mineral screens and on the other hand against free radicals thanks to Alga-Gorria®, patented extract of red algae (*Gelidium sesquipedale*) with antioxidant properties. Hypoallergenic and fragrance-free, the formula of the organic children's sun cream is perfectly **adapted to children's sensitive skin**. Its great resistance to water allows to accompany them in all their games. The organic sunscreen SPF50+ is very **resistant to perspiration and water**, whether salty or chlorinated. **We like it for** Its hypoallergenic, preservative-free and fragrance-free formula for high tolerance The complete cellular protection it provides against the harmful effects of the sun: UVA, UVB and free radicals. The capital sun is preserved Its great **resistance to water, to accompany your children in all their games, even aquatic !** **INGREDIENTS :** Caprylic/Capric Triglyceride, Titanium Dioxide, Cocos Nucifera Oil*, Coconut Alkanes, Butyrospermum Parkii Butter*, Alumina, Stearic Acid, Glycerin**, Polyglyceryl-2 Dipolyhydroxystearate, Polyglyceryl-3 Diisostearate Hydrogenated Castor Oil, Hydrogenated Vegetable Oil, Coco-Caprylate/Caprates, Polyhydroxystearic Acid, Glyceryl Caprylate, Gelidium Sesquipedale Extract, Propanediol, Aqua, Polyglyceryl-4 Caprate, Helianthus Annuus Seed Oil, Tocopherol * : Ingredients from organic farming ** : Processed from organic ingredients 100% of the total ingredients are of natural origin 20,5% of the total ingredients are from organic farming Ecological and organic cosmetic certified by Ecocert Greenlife according to the Ecocert standard
