**Loyalty points offered:** 29

**Price:** 36.00€

### **Piokaline Slimming & Gut health - Set of 3**

Piokaline is an exclusive extract of Chondrus Crispus, a red algae called **Pioka** in Breton. Very rich in fiber, it is a valuable aid in the context of a **diet** or **difficult intestinal transit**. This small seaweed **regulates the appetite** while reducing the absorption of fats. You thus benefit from its appetite suppressant and **fat burning** properties while it **feeds your intestinal microbiota**.

Tips for use :

Within the framework of a diet: 2 to 4 capsules 15 mn before the meal with a glass of water.

Difficult transit : 2 to 4 capsules at noon and evening during the meal.

**INGREDIENTS** : 100 % Chondrus crispus powder

Vegetable capsule : Hypromellose

May contain traces of fish, crustaceans, mollusks and derived products.

Origin : Brittany (Iroise sea)

**Average chemical composition :**

Dry matter (on fresh weight): 19 - 25 %. Mineral matter (on D.M.): 17 - 23 %. Carbohydrates (on D.M.): 50 - 60 %. Protein (on D.M.): 5 - 25 %. Fat (on M.S.) : 0,6 - 6 %.

Organic matter (average in % on D.M.)

Carrageenan: 30 - 40 %.

Mineral matter (average in % on D.M.)

Sulphur: 8.5 Sodium: 6 Potassium: 3,5 Calcium: 1,5 Magnesium: 1 Phosphorus : 0,05

Trace elements (average in mg/kg on M.S)
